1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

We are Dominion customers who have solar panels installed.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

We should not be penalized with a higher rate or pay an extra fee just because we use solar power for our home. We do not contribute to a strain on the power grid; on the contrary, WE USE LESS!

We have already had 7 or 8 (we loose count) rate increases and feel that power for this area should be managed more effiently and customers should not have to pay for what is provided naturally by our sun. It has been declared DISCRIMINATORY and unlawful to charge solar customers extra on their bills in other states. THIS IS NOTHING BUT A THINLY VEILED ATTEMPT TO DISCOURAGE RESIDENTIAL SOLAR POWER. DOMINION NEEDS TO BE REGULATED RIGOROUSLY!

DOMINION DOES NOT OWN THE SUN!

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

We are not able to make an appearance but, would like our protestation of this OUTRAGEOUSLY UNFAIR proposal to be known.
